OHIO

UNITED STATES SENATE
WASHINGTON, D.C. 20510

December 19, 2022

Mr. Bill Brown
Mayor
The Village of Mariemont
6907 Wooster Pike
Mariemont, Ohio 45227

Dear Mayor Brown,

Today, I wish to honor the Village of Mariemont, Ohio as it kicks off the celebrations of its Centennial Anniversary. Established at the groundbreaking ceremony on April 23, 1923, Mariemont was founded by Mary Emery with the goal of creating a welcoming, sustainable home for thousands of Ohioans.

Throughout the Village's history, Mariemont has provided each of its residents with a high quality of life. As a Village dedicated to youth, continuous improvement of town infrastructure such as public parks and educational facilities has helped nurture an ideal country-like setting with modern amenities for the working-class family. This improvement continues to this day, with rehabilitation, preservation, and construction projects planned throughout the Centennial. Additionally, Mariemont exemplifies a city rooted in planning excellence and historical preservation, which provides visitors and residents the ability to experience value of a clear vision and sound decision making, adding to the inherent value and charm of the village.

I wish that I could be with you to commemorate this milestone, and I look forward to visiting Mariemont again soon. Please accept my best wishes for a memorable celebration and keep in touch.

All best,

A handwritten signature in black ink, appearing to read 'Rob Portman', with a long, sweeping underline.
